Consent for Treatment: I give my permission for qualified personnel or parent chaperone to provide routine health care and first aid to my child/children as may be necessary. I assume full responsibility for providing the student with all necessary over-the-counter or prescription medications as well as necessary medical treatment supplies and authorizations. I give my permission for Mr. Johnson or associates to contact the physician(s) listed above and follow his/her instructions in the event I cannot be reached. As a parent/legal guardian I will remain fully responsible for any legal responsibility, which result from any personal actions taken by my child/children.

Parent/Guardian Signature________________________________Date______________
