

## SNACKS AND DRINKS

The band & choir trip is right around the corner & snacks & drinks are a big part of the experience for the students. For those that are new to the process, at each stop (on our way to and from Sandusky as well as while we are in Sandusky) we pull out coolers of drinks and bins of snacks for all students to grab as they get back on the bus to enjoy until our next stop and with this being a longer trip, we will go through lots of snacks and drinks. To keep all of the students safe & the buses as clean as we can, however, all snacks must be in individual serving bags and peanut free. Although a healthier option, please do not send any squeeze bottles of applesauce/fruit sauces because in the past there has always been one or two that have exploded/leaked, which causes a sticky mess.

We must insist that the snack/candy nut free list be as follows. *Students/adults should not pack or buy any snacks at a rest stop.* We have students on every bus that have a nut/peanut allergy.

We also ask each family to donate a small 12 oz. twist top bottles of drinks (soda and water). Unfortunately, the smaller size can be a little more expensive, however, it eliminates waste and cuts back on restroom stops. Donations may be dropped off in the band room beginning Monday May 9th. We will also accept donations on Thursday morning at drop off.

I am asking for the following snacks

### **Cereal/Bars**

#### **Kellogg's**

Nutri-Grain - Apple, Blueberry, Raspberry

#### **Post**

Pop-Tarts-any flavor
